NOTE: Please see the information below in respect of our compliance with the General Data Protection Regulations (GDPR).

Data Protection Act/General Data Protection Regulations 2018

Information for those attending Council Meetings

The General Data Protection Regulations 2018 apply to all organisations of whatever size and requires the Council to notify you that the proceedings at this meeting may be visually and/or audio recorded by the Council or by another party. What you say and do may subsequently be processed by the Council or a third party (such as the media).

By signing the attendance sheet and/or by speaking at the meeting, your personal details may be communicated within Council minutes and reports.

As it is a public meeting, the Council has a legal obligation to allow the recording of what goes on at the meeting and, therefore, is not required to seek prior consent from individuals.

The Council would never pass your information onto a third party without your consent for direct marketing, scientific or historical research, or statistical purposes.

If you have any concerns about the above, please speak to the Parish Clerk before the meeting commences.
